## माझी शाळा

मी संकल्प न्यू इंग्लिश स्कूल मध्ये शिकते. माझी शाळा इंग्रजी माध्यमाची शाळा आहे. मला माझी शाळा खूप आवडते. आमच्या शाळेत अगदी बालवाडीपासून दहावी पर्यंत वर्ग आहेत. शाळेची इमारत मोठी व सुंदर आहे. आमच्या शाळेत एक मोठे सभागृह आहे. मध्यभागी विस्तृत क्रीडांगण आहे.

या मैदानावर विद्यार्थी वेगवेगळे खेळ मनसोकत खेळत असतात. खेळाचे शिक्षक त्यांना योग्य मार्गदर्शन करतात. त्यामुळे खेळांच्या सामन्यात आमच्या शाळेला नेहमी बक्षिसे मिळतात.

आमच्या शाळेतील शिक्षक खूप छान शिकवतात. शाळेत शिक्षक अनेक स्पर्धा घेतात त्यामुळे शाळेला खूप बक्षिसे मिळतात.

अशी ही माझी शाळा मला खूप-खूप आवडते.

## बाल दिवस

“बाल दिवस” का अर्थ है, ‘बच्चों का दिन’। बच्चे ही किसी देश की वास्तविक संपत्ति हुआ करते हैं। ये ही बच्चे आनेवाले कल के कर्णधार हैं। बच्चे जो आज की कोमल कलियाँ हैं वे ही कल के खिलने वाले फूल हुआ करते हैं। कहने का तात्पर्य है कि आज भी बच्चों का है और कल भी। अतः प्रत्येक देश का कर्तव्य है कि वह अपने देश के बच्चों के सर्वांगीण विकास की ओर समुचित ध्यान दे। इन्हीं बातों को ध्यान में रखकर हमारे देश में प्रतिवर्ष १४ नवंबर को ‘बाल दिवस’ के रूप में मनाया जाता है।

१४ नवंबर स्वतंत्र भारत के प्रथम प्रधानमंत्री स्वर्गीय पंडित जवाहरलाल नेहरूजी का जन्मदिवस भी है। पं. नेहरू को गुलाब के फूल और गुलाब के फूल के समान खिले रहनेवाले प्यारे-प्यारे बच्चे बहुत अधिक पिय थे। इसीलिए उन्होंने अपने जन्मदिन को बच्चों का दिन ‘बाल दिवस’ के रूप में मनाया। स्वयं बच्चे भी नेहरू जी को बहुत अधिक प्यार किया करते थे और वे उन्हें प्यार से ‘चाचा नेहरू’ कह कर पुकारते थे। नेहरू जी प्रायः बच्चों के बीच घुल-मिल जाते थे। पं. नेहरू जी को बच्चों से इतना अधिक प्यार था कि वे बहुत अधिक व्यस्त रहने पर भी बच्चों के लिए समय अवश्य निकाल लेते थे। यही नहीं कभी-कभी तो वे रास्ते में किसी क्षण किसी भी बच्चे को देखकर अपनी गाड़ी रुकवा कर उस बच्चे को गोद में उठाकर पुचकारते थे तथा उससे बातें करने लग जाते थे।

‘बाल दिवस’ मनाने का प्रयोजन यह भी है कि बच्चे अपने देश का भविष्य हुआ करते हैं अतः उनके लालन-पालन, शिक्षा-दीक्षा,

प्रगति और विकास आदि पर विशेष ध्यान दिया जाना चाहिए। उनका किसी भी स्तर पर शोषण नहीं होना चाहिए। इन उद्देश्यों की पूर्ति के लिए भी ‘बाल दिवस’ का आयोजन होता है।

इस अवसर पर विद्यालयों में समारोहों का आयोजन होता है। इस अवसर पर बच्चों द्वारा कविता, गीत, नाटक, भाषण आदि के कार्यक्रम किए जाते हैं तथा कई विद्यालयों में खेल प्रतियोगिताएँ भी आयोजित की जाती हैं। उन प्रतियोगिताओं में विजयी छात्रों को पुरस्कृत भी किया जाता है। दिल्ली में शिक्षा विभाग की ओर से यह दिवस सामूहिक रूप से नेशनल स्टेडियम में मनाया जाता है, जहाँ सभी विद्यालयों से चुने हुए विद्यार्थी एकत्रित होते हैं तथा अपने चुने हुए कार्यक्रम दर्शकों के सम्मुख प्रस्तुत करते हैं।

बहुत से बच्चे इस दिन अपने प्रिय चाचा नेहरू की समाधि पर ‘शांति वन’ में जाकर श्रद्धा सुमन चढ़ाते हैं तथा चाचा नेहरू के बताए हुए मार्ग पर चलने की प्रतिज्ञा करते हैं। इस दिन बच्चों को नेहरू जी का स्मृति चिन्ह ‘गुलाब का फूल’ तथा मिठाइयाँ दी जाती हैं। इस प्रकार पसन्नता और मनोरंजन के साथ ‘बाल दिवस’ का आयोजन संपन्न होता है।

## SCHOOL

School is something,  
we must all embrace,  
knowledge we need,  
to seek out and chase

Subjects and teaching styles,  
are plentiful and vary,  
Just like the back packs,  
We all need to carry.

Sports clubs and activities,  
at every single turn.

So much to do,

Study and learn.

To get the most from school,  
we should consistently attend.  
around each corner,  
there's always a friend.

Our favorite teachers,  
are friendly and kind.

Their passion and job,  
to expand every mind.

School is something,  
we must all embrace  
just remarks to learn,  
at your own pace.

## SCHOOL DAY

Growing up in this day and age,  
With free expression all the rage,  
Our young ones learn when starting  
School That reading's fun and maths is cool  
While writing's not the least big  
Joring It really is so much like drawing.  
To realize their full potential  
And teachers always do their best  
To stimulate their interest.  
When years of school days end at last  
With all examinations passed,  
Will the children reminisce  
And say, "Our schooldays we will miss"  
And as the final day arrives,  
"They were the best days of our Lives".

## HELICOPTER

High in the sky above the ground  
Eventually getting here.  
Landing on the green grass.  
Immediately the doors open.  
Children running from every where.  
Over the long green grass.  
People climbing in the body of the  
craft.  
The men telling us all about it.  
Everyone has to leave soon  
Restless we go back to school ?

## TEACHER

The teacher made me take him out;  
But he just barked and whined –  
I don't know what I was about,  
When teacher said, "Be Kind"!

When we got out, I told him to  
Go home, But there he stayed;  
He acted like he wouldn't do  
It, cause he was afraid.

He stayed all day, and it, was cool,  
And rainy, and so wet,  
And' cause I took my dog to school,  
I am sorry for it yet.

education  
And a long summer and winter vacation  
Eight periods in each day.

Lots of games and fields to play  
One has to work hard  
To get a good report card

One has to do a lot of exercise  
To get medals and prizes  
Boys and girls here don't scream

We all work together as a team  
Students here don't waste their  
Time in gossips

But try their best to keep  
The promises.

## A Message

We are the future,  
We must make a stand.  
To the poor and needy,  
we should stretch our hand.

For people today,  
Are fast and blue.  
They are sad and unhappy,  
They have not a clue.  
That time is running

Oh so fast,  
This precious life,  
will never last.  
It's time for us,  
To do all we can,  
So help every woman,  
Child and Man.

## My School

I study in Oxford English School, Which is one of the best schools in Thane. It has a stone building. It has all the facilities that a good school should have. It has well furnished classrooms, laboratories, library and play grounds.

As we enter the school, there is a play ground to our left and a small garden to our right. When we enter the building, the principal's room and the office room are to the left and the staff room to the right side. They are well furnished. The library is also well equipped. Our library has books on almost all the subjects. Our librarian is also very nice and helps us choose good books.

Our school, like all schools, has a prescribed uniform. We have to wear white or cream cotton shirts, light blue trousers, black shoes and light blue skirts in primary, and in middle classes white shirts and light grey skirts in higher classes.

In our school special attention is paid to behaviour, cleanliness and punctuality. The most well- behaved, neat and punctual students are awarded a prize on the Annual Day function. Our principal is a strict disciplinarian. If any student violates the rules, makes mischief gets punished. But she is fair and loving. She tries to find out the reason and guides us.

I like my school very much and am proud that I belong to it.

## Understanding English

English is arguably one of the most widely spoken languages in the world and it is acknowledged as the commercial and technological language of an international standard. But that only partially explains its popularity.

English which in the current times, aspires for world status, was spoken only by a select few. Some few hundred years ago. Over a period of time, it gained in strength and patronage. Today, almost four centuries after Shakespeare, it is used by several million people all over the world and has attained a status almost akin to the mother tongue in many countries like India, Singapore etc.

It is the language most suitable for administrative jargon. It is a suitable medium of instruction and is taught and learned with an avid interest at all levels. In India, it has proved to be a unifying force, Mitigating to some extent regional and linguistic barriers providing a common platform of communication for people who speak different dialects. It is, the fore called the associate official language. 80% of information stored in computer is in English. Most internet messages are sent in English. The media uses English as a language of communication it is a versatile language that has adopted and assimilated freely from the other languages. It cannot be denied that English is a language of many nuances. It's vocabulary conveys precisely and accurately, whatever needs to be said. More than anything else, it is a language that knows no frontiers. People in different countries and environments have evolved their own idioms, making it more colourful, varied and acceptable. Therefore it is imperative that all of us acquire at least a functional knowledge of English.

## Let There Be Peace On Earth

Let there be peace on earth  
And let it begin with me,  
Let there be peace on earth  
The peace that was meant to be,  
with God as our Father  
Brothers all are we

Let me walk with my brother  
In perfect harmony  
Let peace begin with me  
Let this be the moment now  
with every step I take  
Let this be my solemn vow,  
To live each moment  
In peace eternal  
Let there be peace on earth  
And let it begin with me.

## Principal's Message

Our life is a journey. We learn and experience something new everyday. We not only impart in-depth knowledge of a particular subject but at the same time also ensure competent and constant growth of the student's. Problems exist in everyone's life but we frequently remind the student's not to be afraid of failures but strive hard to achieve success for excellence and good leadership. It is possible only when we built up good attitude and conduct. We also learn to become disciplined, to see things in proper perspective. There are ups and downs in life and we need to accept the challenge and win it at all costs. Physical work and games enable the students to cope up to be fit and healthy persons. If you work hard then only great things can be achieved easily. Consequently, our struggles will vanish within no time and our achievement will be remembered for long. Our teachers are using the best methodology to impart knowledge to their students. Looking to the above co-curricular activities of our school, I am sure that our students will shine and become valuable citizens of our country in times to come.

Indeed, we have enjoyed a most rigorous and exciting term with examinations, post-examination activities, learning journeys, Inter-class sports tournaments, the year-end concerts, the camps, the exhibitions, celebrations of festivals, the workshops and many more ...

We also celebrated our pupils' achievements with the presentation of prize-giving day, for our pupils. The pupils' holistic achievements for the year are indeed highlighted and acknowledged in a celebratory way both by their teachers and peers. We hope that this will motivate our pupils to continue their good efforts in doing their best, making improvements each year and ultimately achieving excellence in their lives!

I hope and pray that the students of our school will scale great heights and keep the Sankalp Oxford English School flag flying high.

I convey my good wishes to all the readers and wish them a happy and enjoyable reading ...

**-Mrs. Akshata Hirlekar**

## Director's Message

Dear Parent's and Pupils

We strive to develop the three key attributes of a student-centric, Values-based education at S.O.E.S., namely :

- **Every Student, an Engaged Learner**
- **Every Teacher, a Caring Educator**
- **Every Parent, a Supportive Partner**

As many of us are directly involved in the education and nurturing of our young wards, our pupils, your child, our future generation, the way forward for us is to join our hands strongly together to co-create the Future of Education.

Let us work towards providing our pupils with a holistic education which gives 'hope' to the next generation, pupil with a "Heart" and a sense of belonging to India, our homeland. Only then can our S.O.E.S's mission of developing our pupils into 'Self-Directed Learners, Compassionate Leaders, Responsible and Useful Citizens' be fulfilled.

To help our pupils live out the Pupil's creed, '**Enter to Learn, Depart to serve**', we, teachers and parents can do much to help our young wards live out their purpose in life well. There are certainly many forces, in human nature and in society that can influence young people to take the wrong choices in life. But we believe that deep within every young person, there is also a desire to lead flourishing life. It falls to us as parents and teachers to point out and make accessible-the high road of **character** as the reliable pathway to a *flourishing life*.

Hence at S.O.E.S's, we must continue to inculcate an *excellence mindset and strong ethics in our pupils* through every phase of school life. The academic curriculum, school routines, rituals and traditions, discipline, co-curricular activities, service learning, and teachable moments all become opportunities to develop the full range of assets needed for an ethical, productive, and fulfilling life. The routines and culture at home must also support and enhance the pupils' belief in excellence and promote strong character growth too.

Thank you for joining us, the school leaders at S.O.E.S's in encouraging every pupil to grow into an engaged learner, regardless of background or ability, every teacher to grow into a caring educator, and growing yourself into a supportive partner. With your co-operation, support and prayers, S.O.E.S will and can grow into a good school in the Thane city, blessing all our pupils and their families for God's glory.

Last but not least, I strongly believe that we will gain the deepest satisfaction knowing that our pupils have truly fulfilled God's mission on earth and serve their usefulness through their impact on their families, friends, school, community and nation as a God-loving, responsible and useful citizen of India. **To God be the Glory!**

**Mrs. Jayshri Phatak**
